All students grade 7-12 will be assigned a locker at the beginning of the year. In grades 7-12 students MUST be organized in a way that makes assignments easy to access, complete and turn in for credit. As a school, we have listed suggestions below that will help students achieve this. The items below are a suggestion by our teachers to help students keep organized. You are welcome to include other items that will help your student:

Trapper Keeper with dividers and paper for each subject.

1" Binder per subject is also a good option.

****Items in which students/parents are responsible for providing throughout the year. Students may need to replenish these supplies. Teachers will not supply these items to students.***
