Your Word is Truth

Volume 1, Number 19

From Mr. Muncy

Happy New Year! How are those resolutions going? I'm not typically a make resolutions kind of guy, but if I were to make some for 2023, "be more intentional" would be my first and foremost. I want to make sure that my family and friends know that they mean more to me than I can put into words. I want them to know this by my actions, and not from just my words alone.

"Remember we are all just trying to make it" would be the next one. At the end of the day we all need just a bit more grace and understanding. I want to be that guy! Here's to a great 2023! Bring it on.
